

THE GAME OF LIFE **To Discuss or Not to Discuss?**

Ensure cards are shuffled with all sections mixed. Parents take it in turns to pick a card and sort into appropriate place on scale, from: 'I'm happy to talk about it' to 'I'd rather be at the dentists than tackle that!'

Either stick cards on wall between two extremes as allocated, moving them if necessary as the next card dictates or have parents hold cards and move around between the two extremes until in agreed order.
